LA SALLE COUNTY APPRAISAL DISTRICT (CAD)

RESOLUTION SEEKING TO AMEND LA SALLE CAD'S 2017 BUDGET BY (1) RETAINING SURPLUS FUNDS FROM 2016 LA SALLE CAD OPERATIONS; AND (2) BY TRANSFERRING OTHERWISE ENCUMBERED FUNDS; AND THEN APPLYING THOSE FUNDS TO THE DISTRICT'S COMPUTER SOFTWARE PURCHASE RESERVE FUND

WHEREAS, the auditor for La Salle CAD has recently determined that the District generated a surplus of \$128,504 for the year 2016; and

WHEREAS, the Property Tax Code generally requires that surplus funds be refunded or credited to the taxing units which participate in the District and contribute to the District's budget; and

WHEREAS, La Salle CAD currently has \$55,082 in a Facility Improvement Reserve and \$30,000 in a Building Reserve which the board of directors believes would be more efficiently and usefully transferred into the Computer Software Reserve Fund; and

WHEREAS, the board of directors of the La Salle CAD believes that it is in the best general and economic interests of the taxpayers of the District and the taxing units which participate in the District to purchase a new computer software system so as to be on the same system as that used by La Salle county, Cotulla ISD; and

WHEREAS, the board of directors of LaSalle CAD strongly believes that better service and better communications will result from this computer purchase, benefitting all citizens and property owners of LaSalle CAD, as well as all taxing units which participate in LaSalle CAD; and

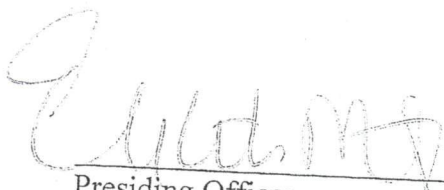

WHEREAS, LaSalle CAD currently has only approximately \$52,000 in its budget for computer purchase items;

NOW, THEREFORE, BE IT RESOLVED, that the board of directors of the La Salle CAD hereby notifies all constituent taxing units which participate in the District that they propose to amend the 2017 La Salle CAD budget by retaining the \$128,504 surplus generated as a result of 2016 operations, and placing that amount in a Computer Software Purchase Reserve fund, to be spent in 2017 and 2018 on computer software; and

BE IT FURTHER RESOLVED, that \$55,082 from the Facility Improvement Reserve and \$30,000 from the Building Reserve be transferred into the Computer Software Purchase Reserve Fund (for a total, including the \$128,504 surplus, of \$213,586 in the Computer Software Purchase Reserve Fund) to be spent in 2017 and 2018 on computer software; and

BE IT FURTHER RESOLVED, that the Secretary of the Board is hereby directed to ensure that either (s)he or the Chief Appraiser of the La Salle CAD notifies all taxing units participating in the District that this amendment to the 2017 budget has been proposed in accordance with §6.06 of the Texas Property Tax Code.

Upon motion duly seconded, the above resolution was passed at the regular meeting of the La Salle Appraisal District Board of Directors held on the 9th day of November, 2017.

LASALLE COUNTY APPRAISAL DISTRICT (LSCAD)

RESOLUTION PROPOSING TO AMEND 2018 BUDGET BY INCREASING THE DISTRICT'S LITIGATION RESERVE FUND ACCOUNT FROM \$25,000 TO \$125,000.

WHEREAS, the board of directors of the LaSalle CAD believes that it is in the best general and economic interests of the taxpayers of the District and the taxing units which participate in the District to diligently defend valuations based on fair market value appraisals; and

WHEREAS, a business climate has developed throughout Texas in which certain industrial, mineral, and commercial property owners have become more and more virulently aggressive in contesting valuations based on fair market appraisals; and

WHEREAS, a reduction of industrial, mineral, and commercial appraisals based on fair market values would increase the tax burden of local residential and small-business property owners, who would unfairly be forced to make up the lost tax burden; and

WHEREAS, the board of directors of LaSalle CAD believes that it is charged with the obligation to ensure, to the best of its ability, that the District's values are properly defended; and

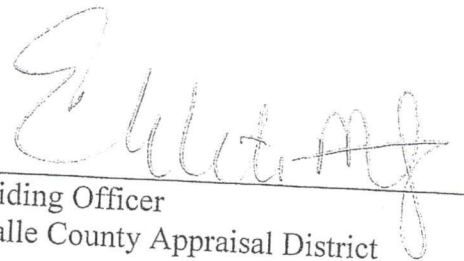

WHEREAS, the board of directors of LaSalle CAD currently believes that the District's current litigation reserve of \$25,000 is significantly underfunded to be able to defend high-value litigation; and

WHEREAS, the board of directors of the LaSalle CAD believes that it is in the best general and economic interests of the taxpayers of the District and the taxing units which participate in the District to increase the amount of the District's litigation reserve fund;

NOW, THEREFORE, BE IT RESOLVED, that the board of directors of the LaSalle CAD hereby notifies all constituent taxing units which participate in the District that it proposes to amend the 2018 LaSalle CAD budget by increasing the amount of its litigation reserve from \$25,000 to \$125,000, effective beginning with La Salle CAD's 2018 budget; and

BE IT FURTHER RESOLVED, that the Secretary of the Board is hereby directed to ensure that either (s)he or the Chief Appraiser of the LaSalle CAD notifies all taxing units participating in the District that this amendment to the 2018 budget has been proposed in accordance with §6.06 of the Texas Property Tax Code.

Upon motion duly seconded, the above resolution was passed at the regular meeting of the LaSalle Appraisal District Board of Directors held on the 9th day of November, 2018.
